**39 BIRD OF PREY CENTER
AND GOLD PANNING AREA**
www.hochalmbahnen.at

Hiking trails of all difficulty levels lead from the mid and upper terminal to pure hiking pleasure with breathtaking panoramic views. A special kind of experience is the **bird of prey show** at the upper terminal, where you can get really close to the "kings of the skies". The behaviour and habits of owls and birds of prey are explained in detail by our falconer. Treasure hunters also get their money's worth. On the Heimalm, the motto is: keep your eyes open, because **gold flakes** can be washed out of the water here - if so requested, under expert guidance.
