14 VÖTTER'S OLDTIMER MUSEUM

www.oldtimer-museum.at

The museum presents the history of vehicles from the 50s to the 70s – the “economic wonder years” – as well as older cars, tractors, motorbikes, small cars, the biggest convertible in the world and an 1893 steam locomotive. The sensation: the original no. 4 wagon from the world-famous Vienna Big Wheel.

The exhibition covers an area of approx. 1,400 m² and has around 200 exhibits.

Particular mention should be made of the fact that the museum is home to a diverse range of vehicles from most European countries.

33 FORT KNIEPASS
festung-kniepass.at

The perfect combination of culture, action and culinary delights – discover your limits!

The longest slide in the Alps, an interactive adventure trail on the theme of “borders” on and through the fortifications provide unforgettable moments. At the Kniepass fortress, an important trade route and border station in the history of Salzburg, there is a lot to learn. Secret places, special events and amusing stories form the basis for the 90-minute conquest tour. Equipped with a “KniePASS” you will embark on a journey of discovery across all borders and at the end you will receive an individual evaluation for each person. Are you poetic, adventurous or innovative? Find out for yourself! After reaching the “border highlight” all adventure-seekers can slide down the 150 meter long slide (from 8 years | minimum height 120 cm) back down into the valley.

FOR OUR ENVIRONMENT

SUSTAINABLE PRINTING

Paper from sustainable production

Our brochure "Adventure Excursions" has been printed on sustainable paper and therefore carries the PEFC seal of approval. This symbolises our commitment to sustainability and responsibly produced products, because PEFC stands for a transparent and independent control system that verifies sustainable forest management based on national standards.

Regional production

Our brochure "Adventure Excursions" has been printed exclusively in Austria - "Printed in Austria". This means local know-how; the added value stays in Austria and we can secure Austrian jobs. In addition, the production routes are very short.

Mineral oil-free printing inks

All inks used in this product are exclusively mineral oil-free and also free of cobalt. They are produced on the basis of renewable raw materials.
